

## WHO ARE WE?

MCI Solutions is a multi-award-winning learning solutions consultancy that specialises in the areas of **learning design, development, and delivery**. We consult to private, public and government organisations on their learning and development needs.

Our solutions can be derived from either our extensive catalogue of intellectual property or via bespoke consultancy where our client's capability or capacity needs to be extended. Depending on our clients' requirements we can either place learning design consultants or take on learning design projects on their behalf.

Our **key service offerings** are:

- Live Virtual Classroom Subscription
- Instructional Design Placements
- eLearning Courses
- Face-to-Face & Virtual Professional Development Course Delivery

## WHY MCI SOLUTIONS?

### **Unique training solutions**

We're at the forefront of defining and using innovative unique training methods.

### **Award-winning**

We set industry standards; others seem to agree. We've won 35 awards over the past 20 years.

### **Trusted educational provider**

We know business and education. Count on us just like the many ASX companies who have trusted us to train their staff for over 20 years.

### **Bespoke**

We tailor our training to target your company's specific learning and development needs.

**Get in touch with us today to discuss your learning requirements!**
